

TAILORS WARDROBE  
LOOK BOOK

STELLA NOVA

Welcome to the world of the TAILORS WARDROBE.

Dress up and embrace the sculptural details. Be seduced by the bold splash of color-blocking and get ready for contrasting styling.  
Use black and white for a sharp look, but also pair them with more festive colors for a statement.

As always, we love to play with traditional men's suiting, considering these styles as essential items in any wardrobe.  
Key to our approach is mixing and matching opposites-daring and sexy combined with suiting or cool sharp styles.  
We love playing with contrasts and blending casual looks with more formal styles.

Our commitment to storytelling in each wardrobe is evident through the addition of symbols and humorous details.  
This time, you'll find the Tailors tools used as decorative artworks in various editions.  
These pieces are crafted in both a naive and humorous manner, as well as in a more subtle way for a less conspicuous vibe.

Our dream is that you will find items to dress up in for any occasion and that you will keep these treasures in your wardrobe now and forever.

May you enjoy STELLA's TAILORS WARDROBE as much as we do...
