

AW24

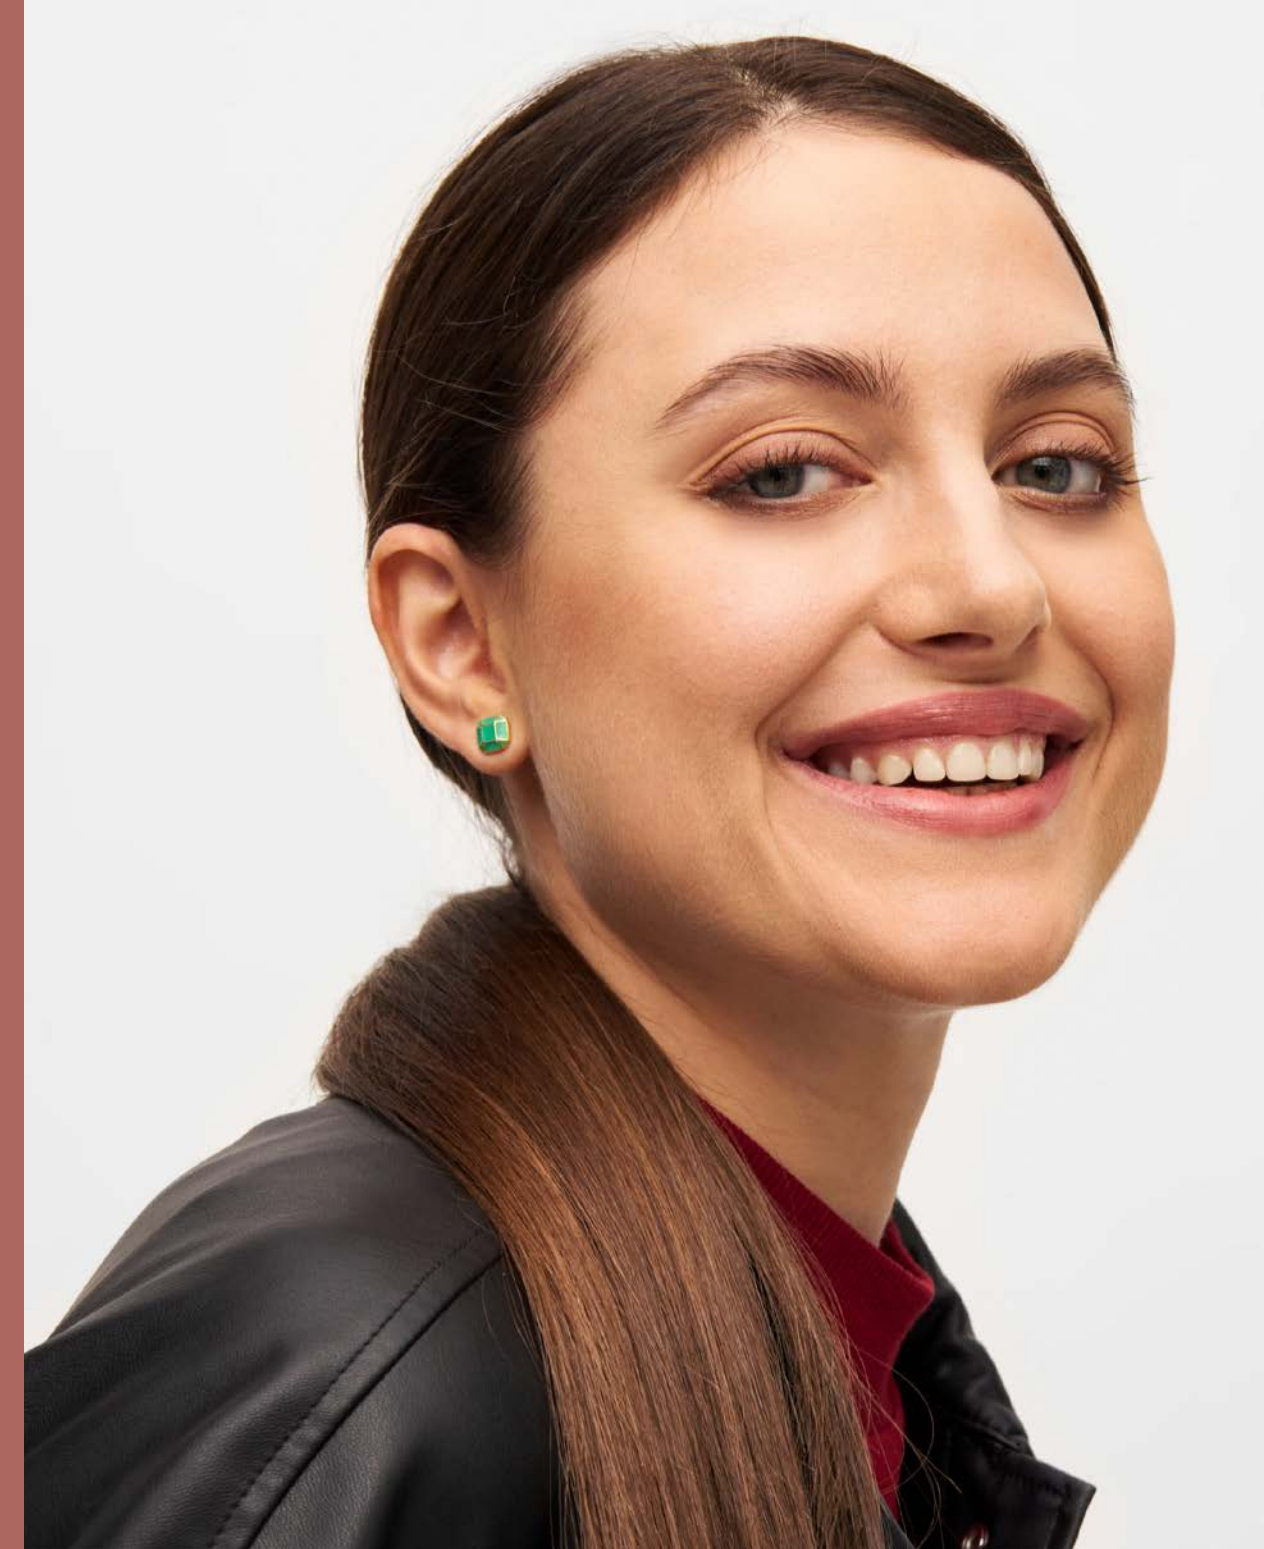

LULU

**Let's
light
up the
night**

AW24 needs a splash of color and a flash of light to light up the night.

That's why we are introducing new flashy series, lots of new styles and new colors on our bestsellers.

New Diamond series

We are happy to lift the curtain for our new series named Diamond. 2 sizes earrings and 2 sizes rings in various colors.

The inspiration behind the design comes from childhood memories from buying small toys and chewing gum in vending machines.

Brand new Hoops

For the upcoming AW24 we are introducing 3 new hoop series.

Flower Hoops

We are proud to present the new Flower hoops series. One version with coral colored sea bamboo and another with colored mounted enamel balls.

Space Hoops

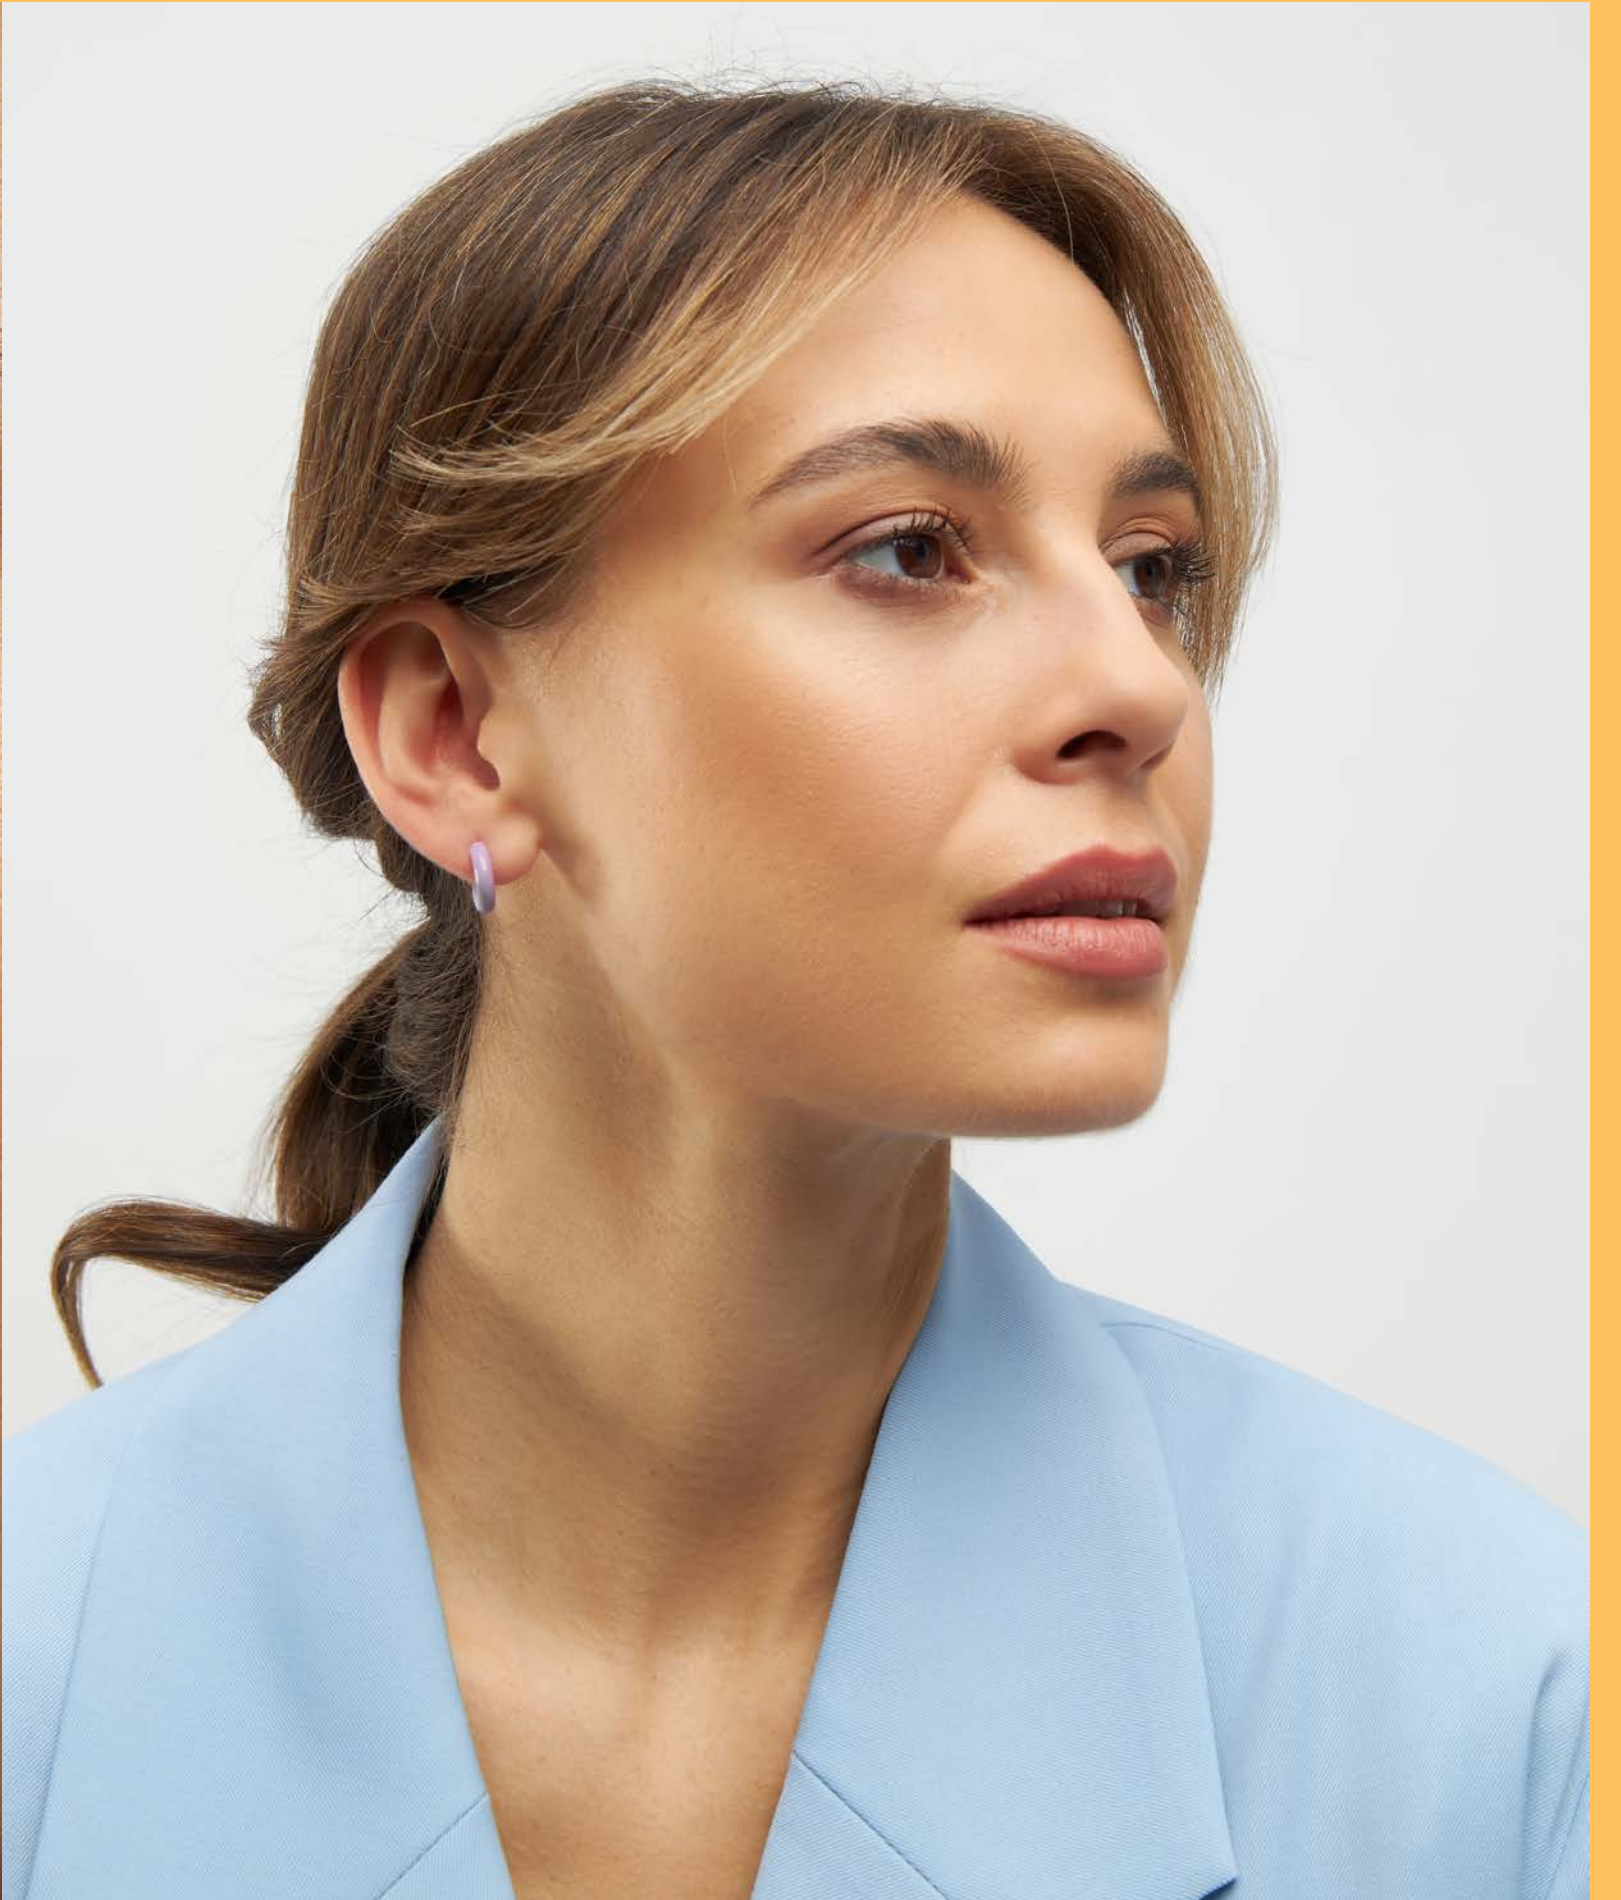

The spacey Space Hoops with mixed natural stones, freshwater pearls, gold plated and enamel coated balls, all mounted on a chunky hoop.

Color Hoop Chunky

The new Color Hoop Chunky in various colors is a line extension to the Color Hoops small & large. Will be available for purchase as a single hoop.

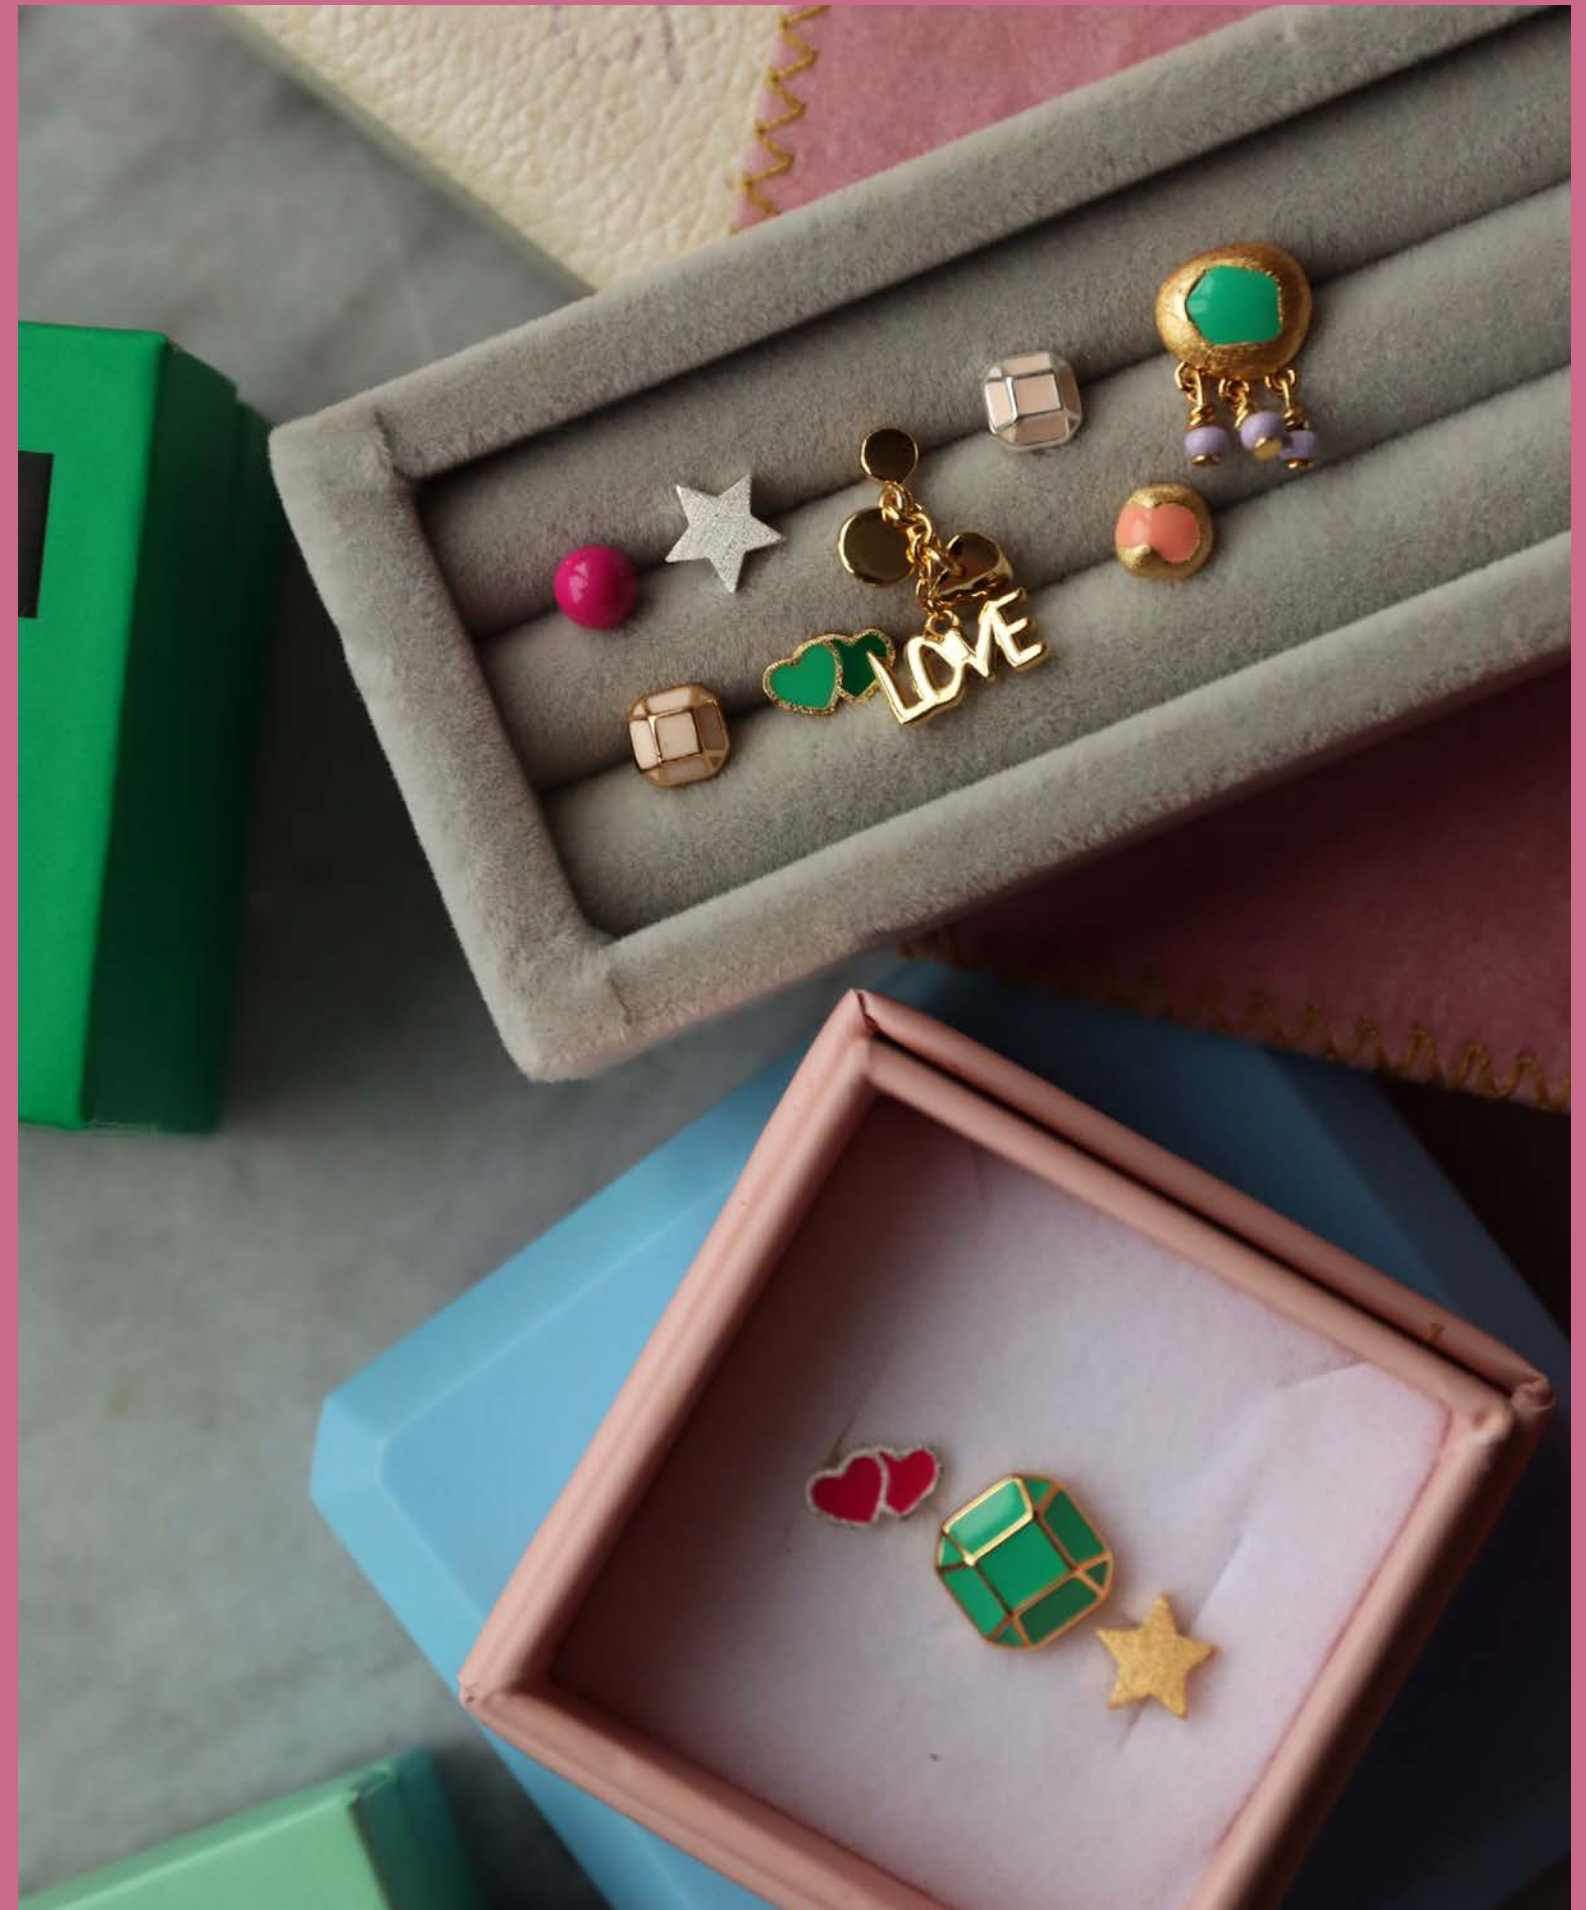

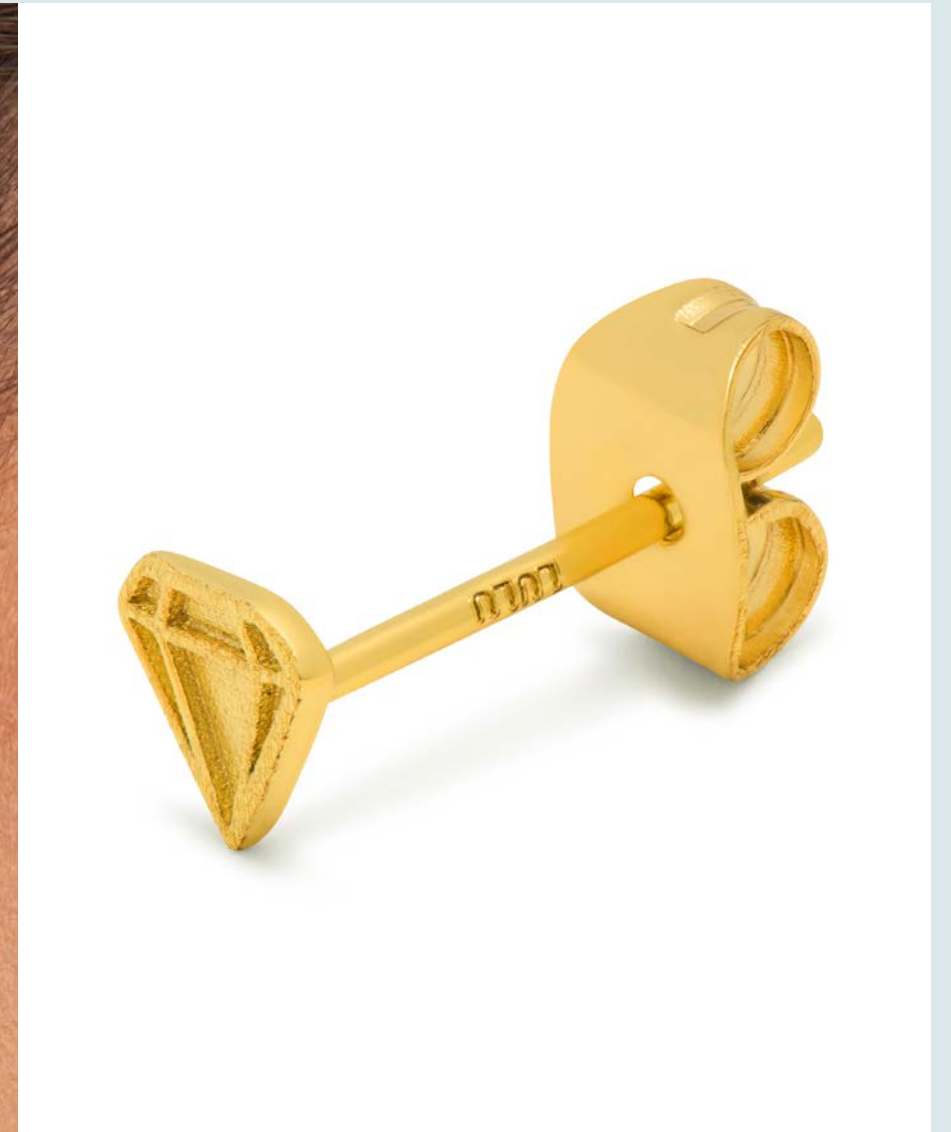

Lots of Candy for the season

Lots of new earrings are being added to the ever growing Candy Shop collection this season.

Both small and larger designs, colorful and classic styles will be available for AW24.

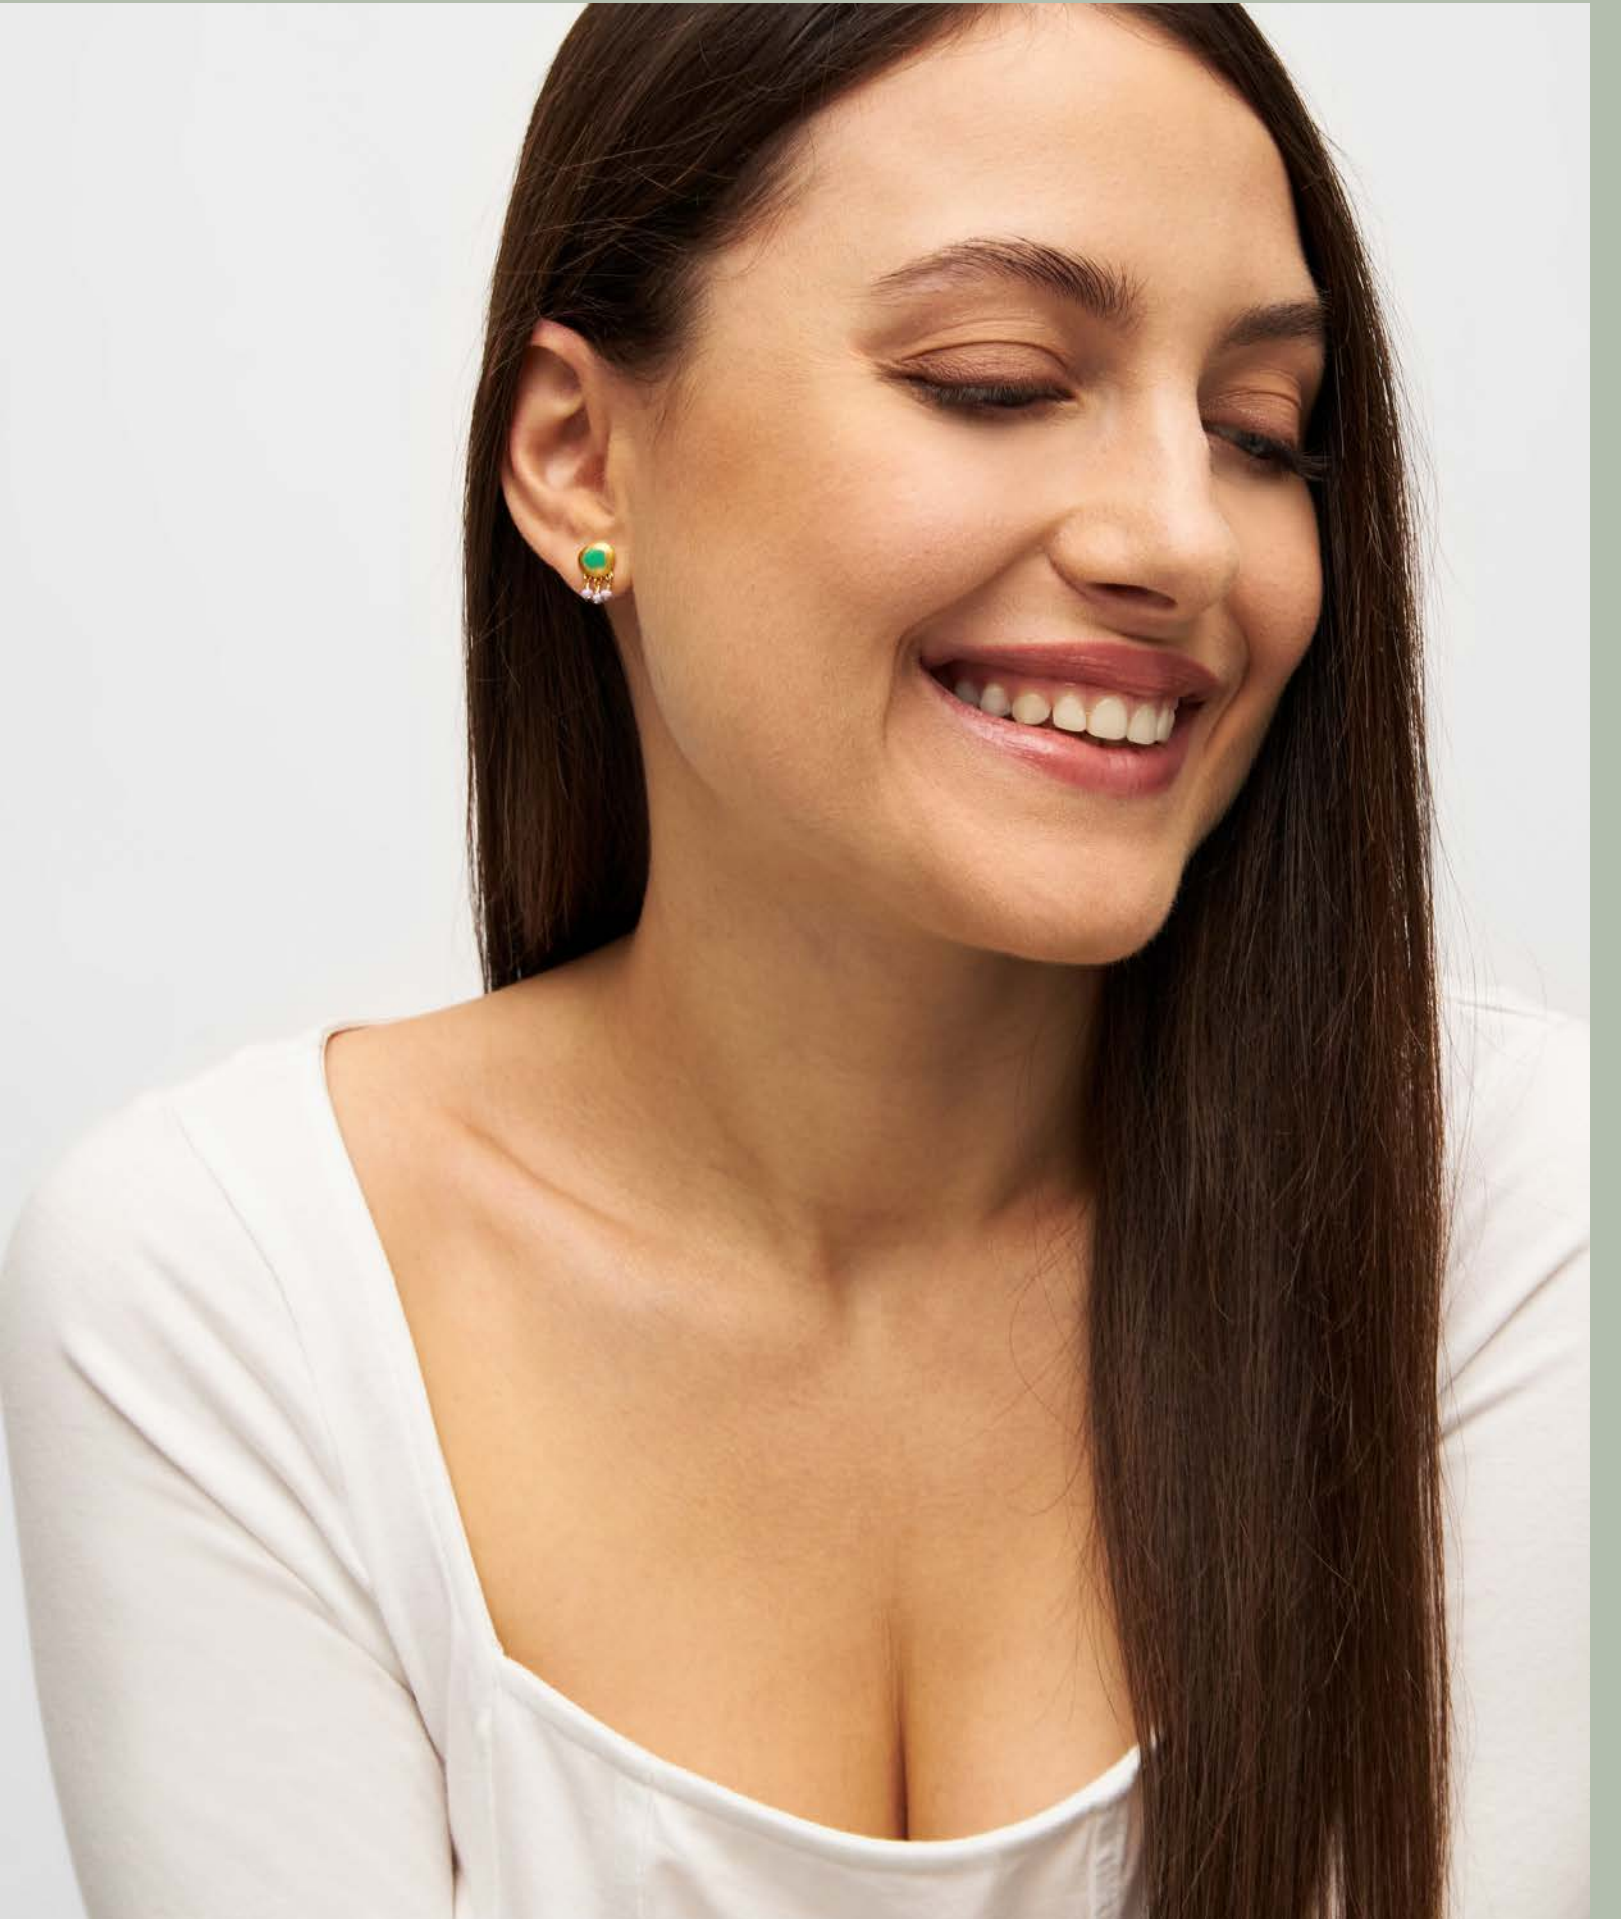

Diamond Cut Series

These new earrings comes in 2 sizes and in a simple cut-out version and in a multicolored design.

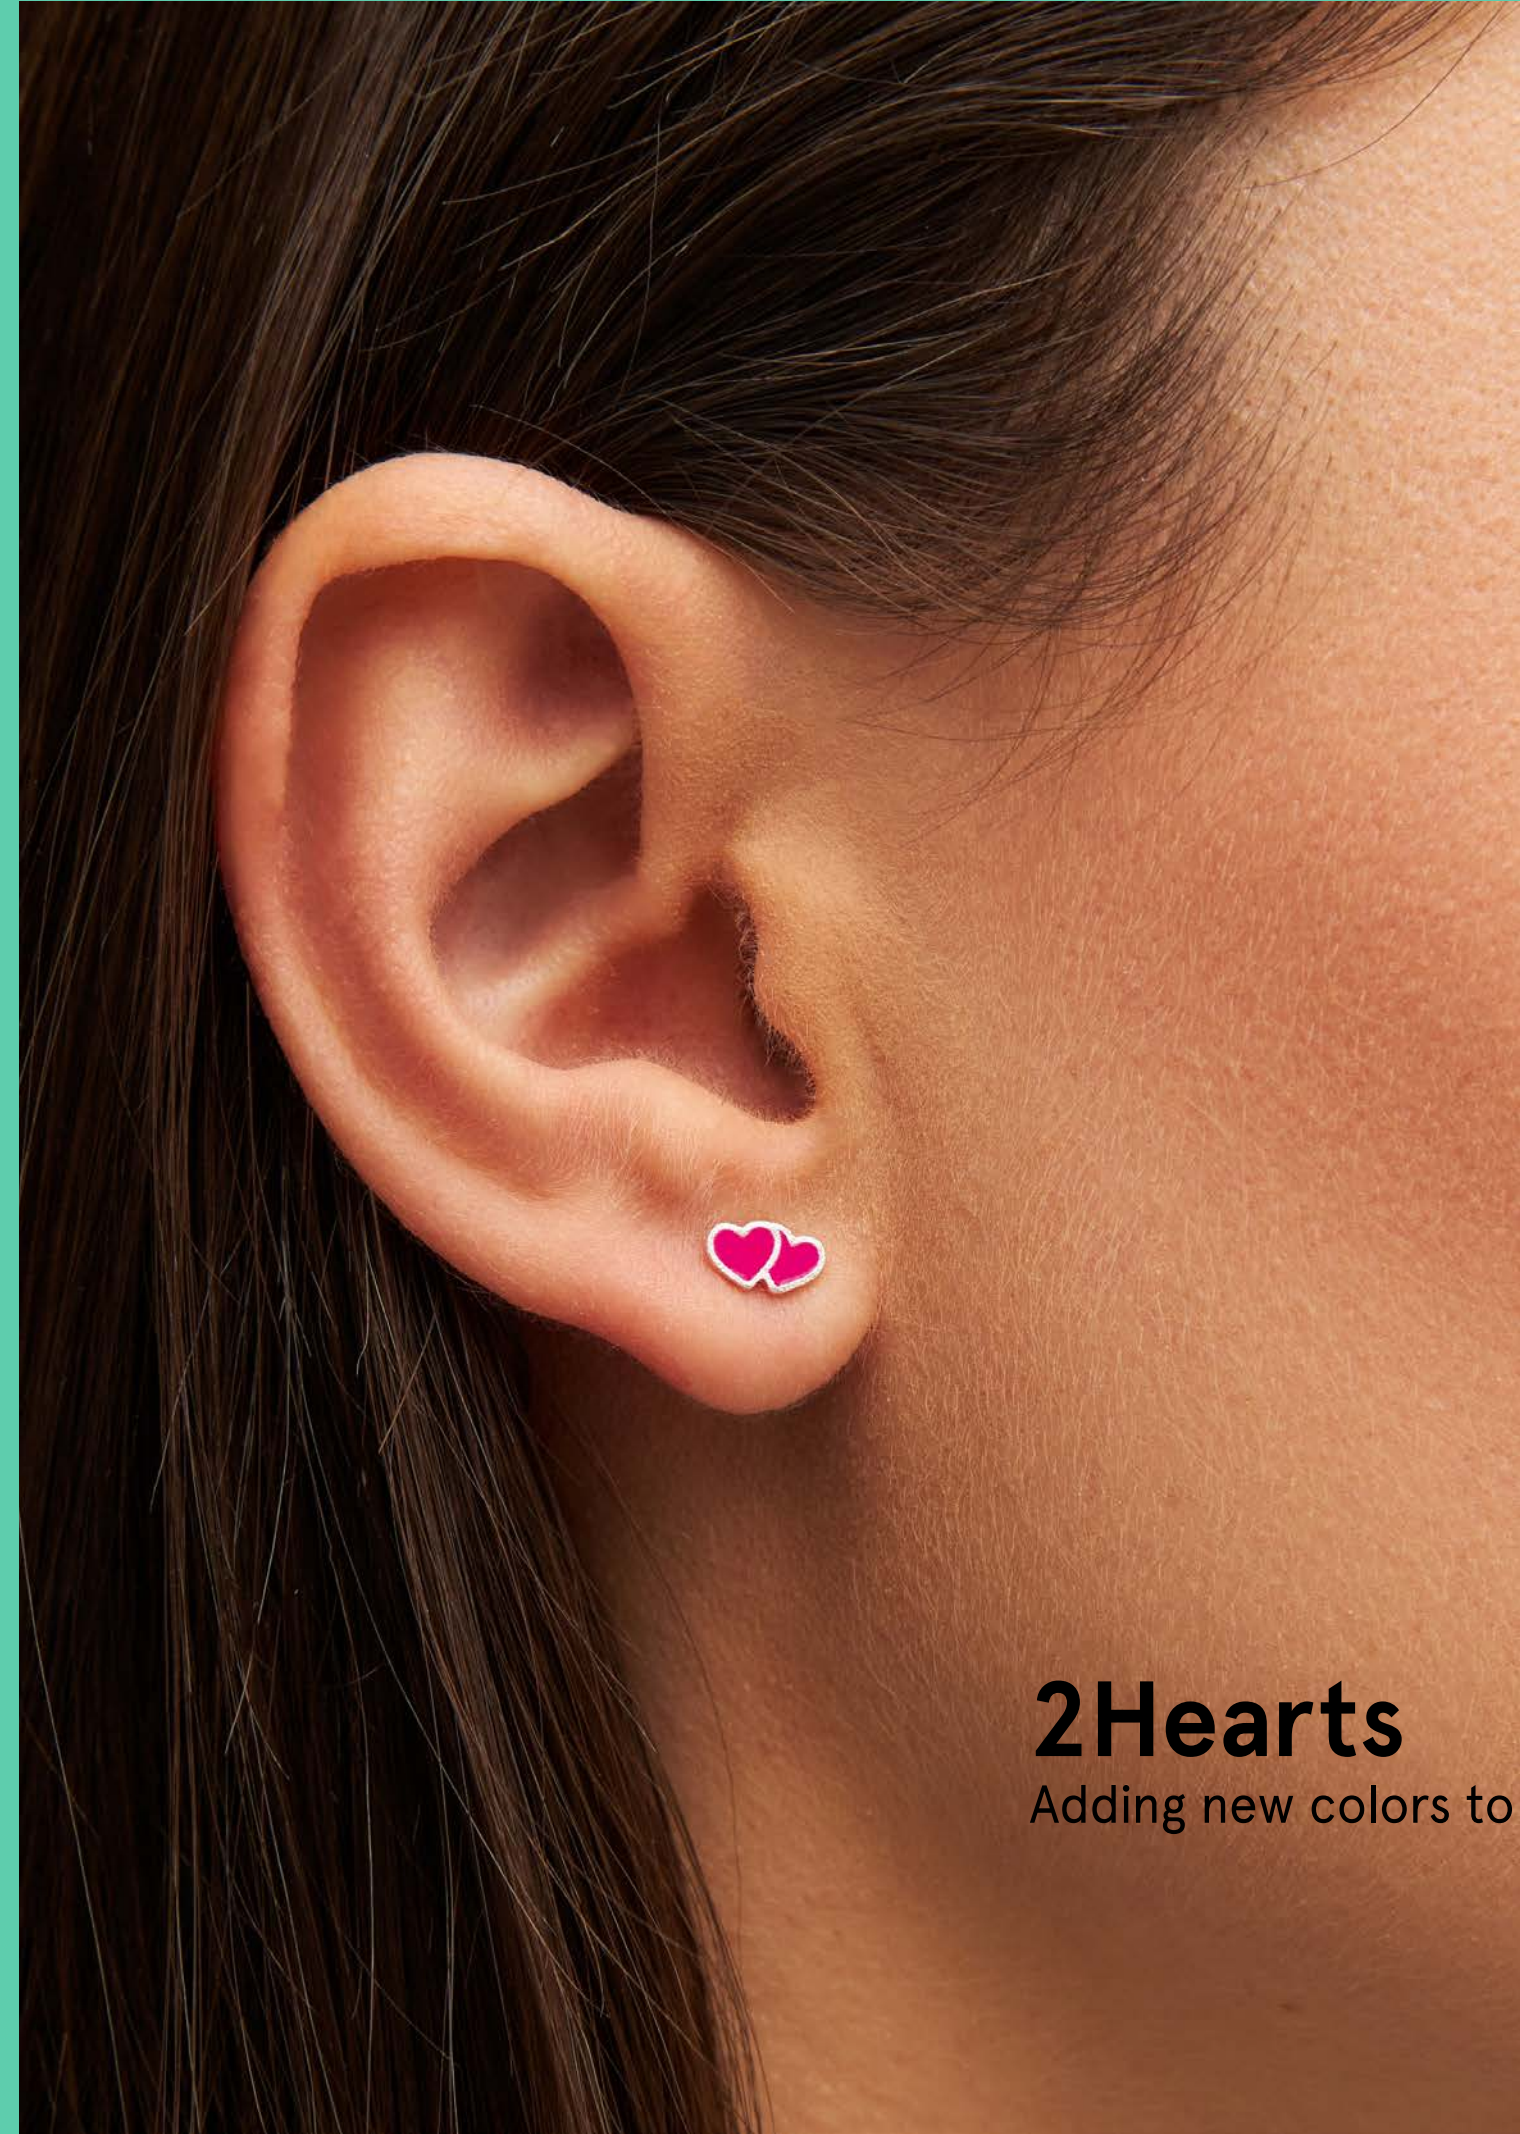

There's Magic in the ear

We are expanding the Magic series with both new colors and new designs, introducing the Magic Stone Chain, Magic Stone Charms and the Magic Stone Heart.

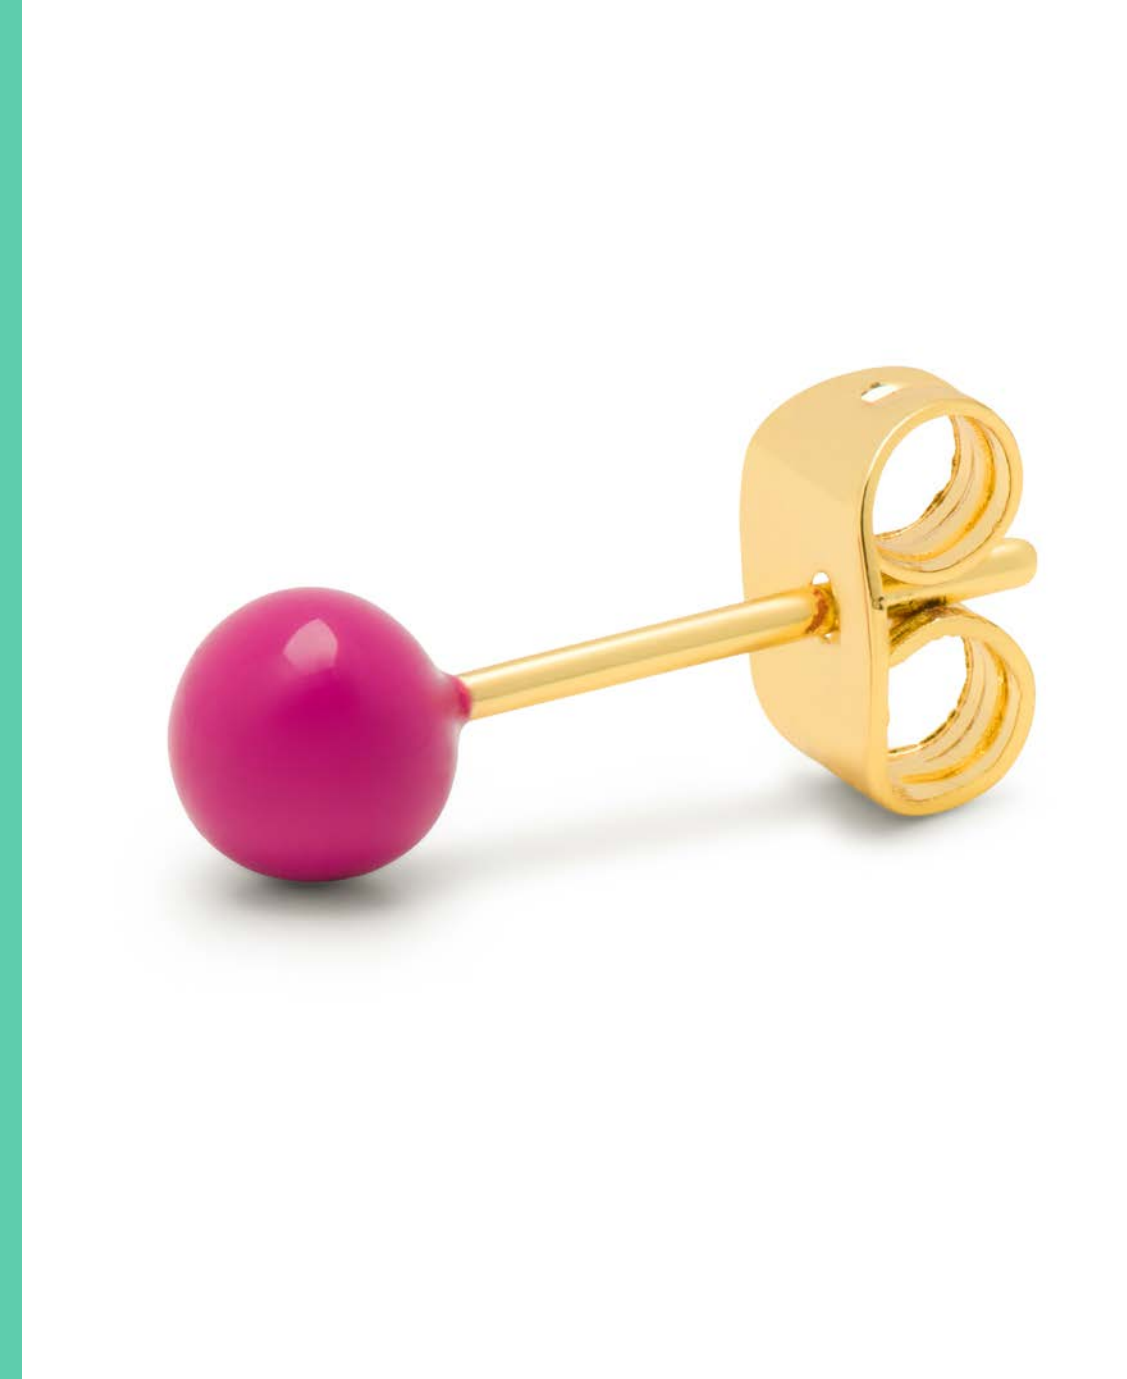

2Hearts

Adding new colors to this Bestseller.

Color Ball Medium

Plum is one of AW23's new colors.

Color Star

We are adding a simple brushed finish on this all time Classic.

Topping Word Love

A new version of the beloved Word earrings.

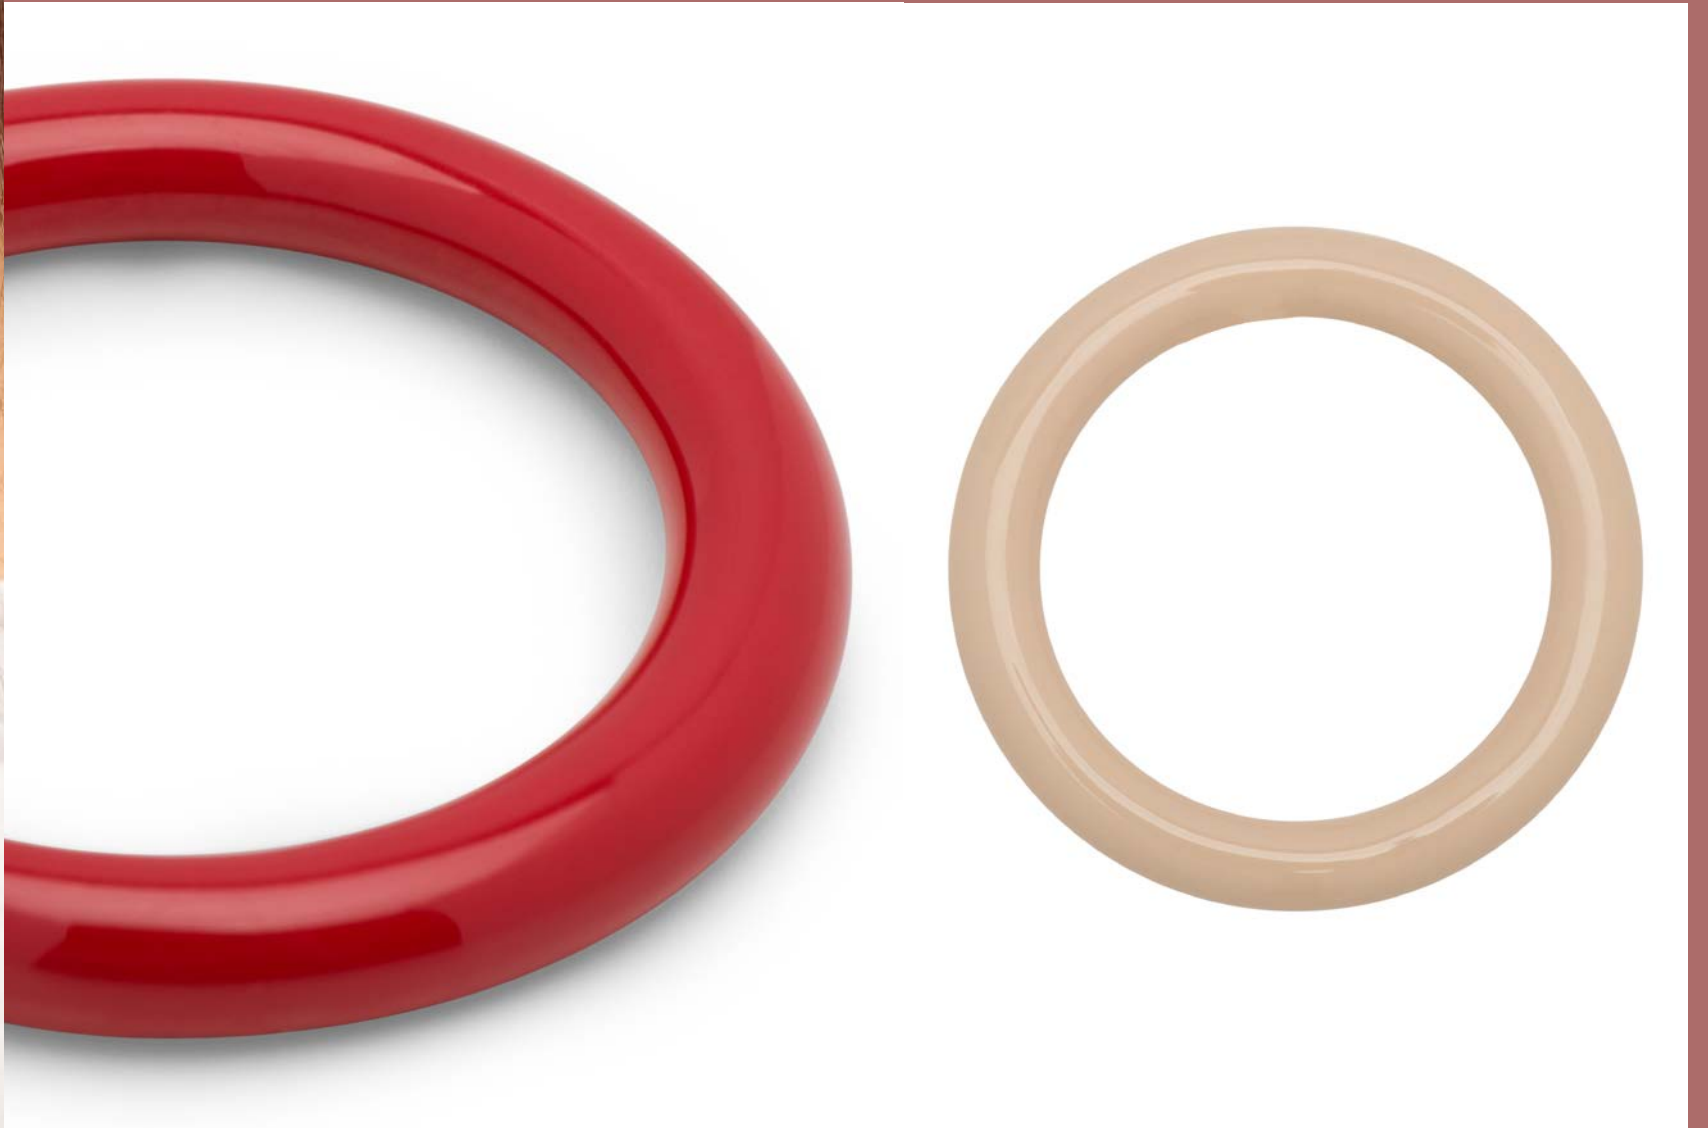

Rings

Both our highly popular Color Rings and our Double Color Rings will be available in the upcoming seasons colors.

Color Rings

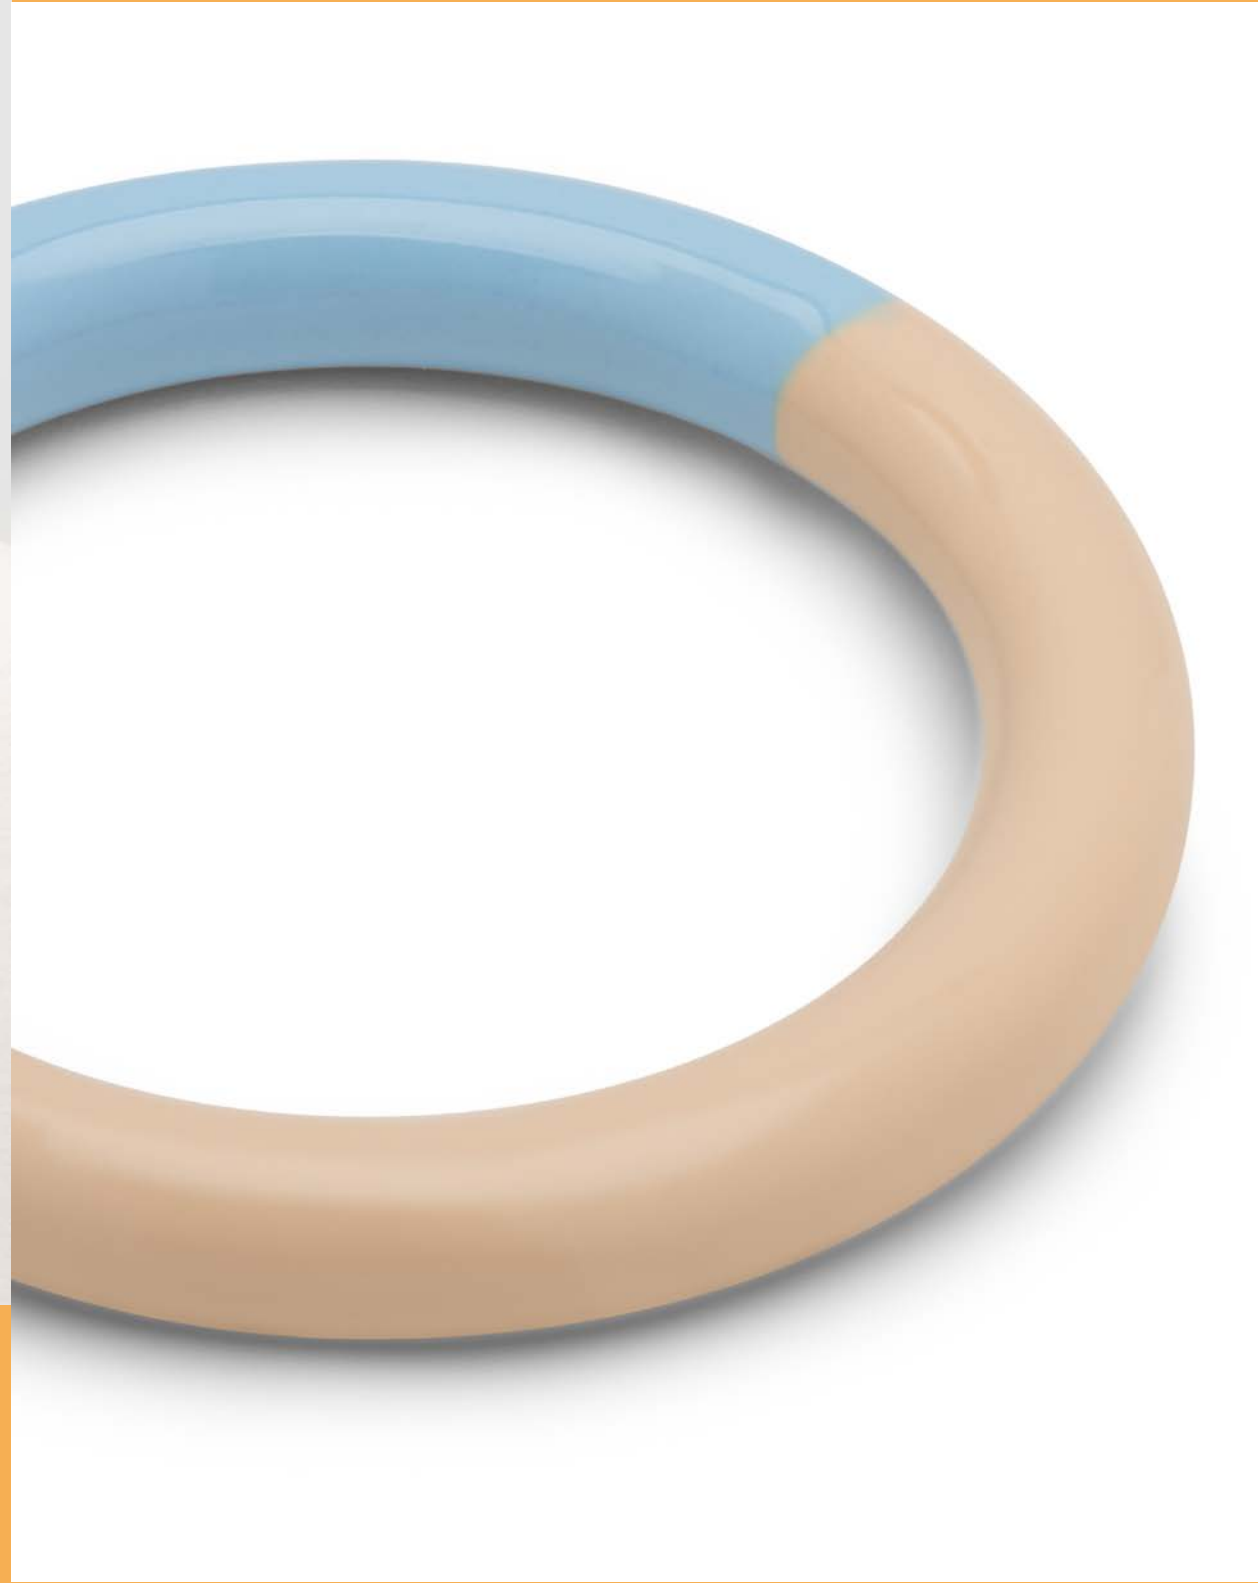

We are adding 5 new colors for the season.

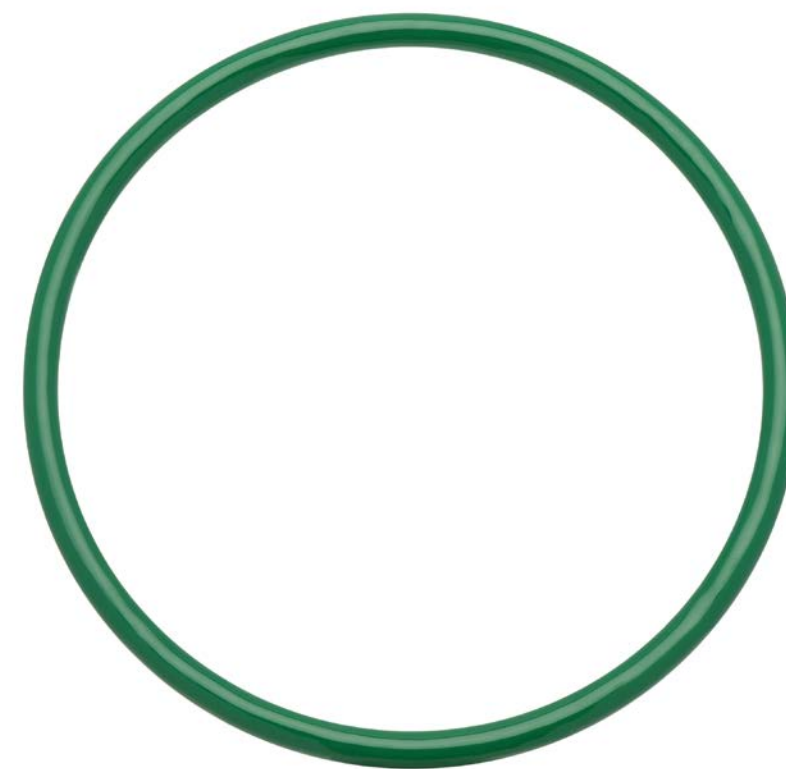

Double Color Rings

Introducing Light Blue & Buttercream and Silk Light Green & Lime to our selection.

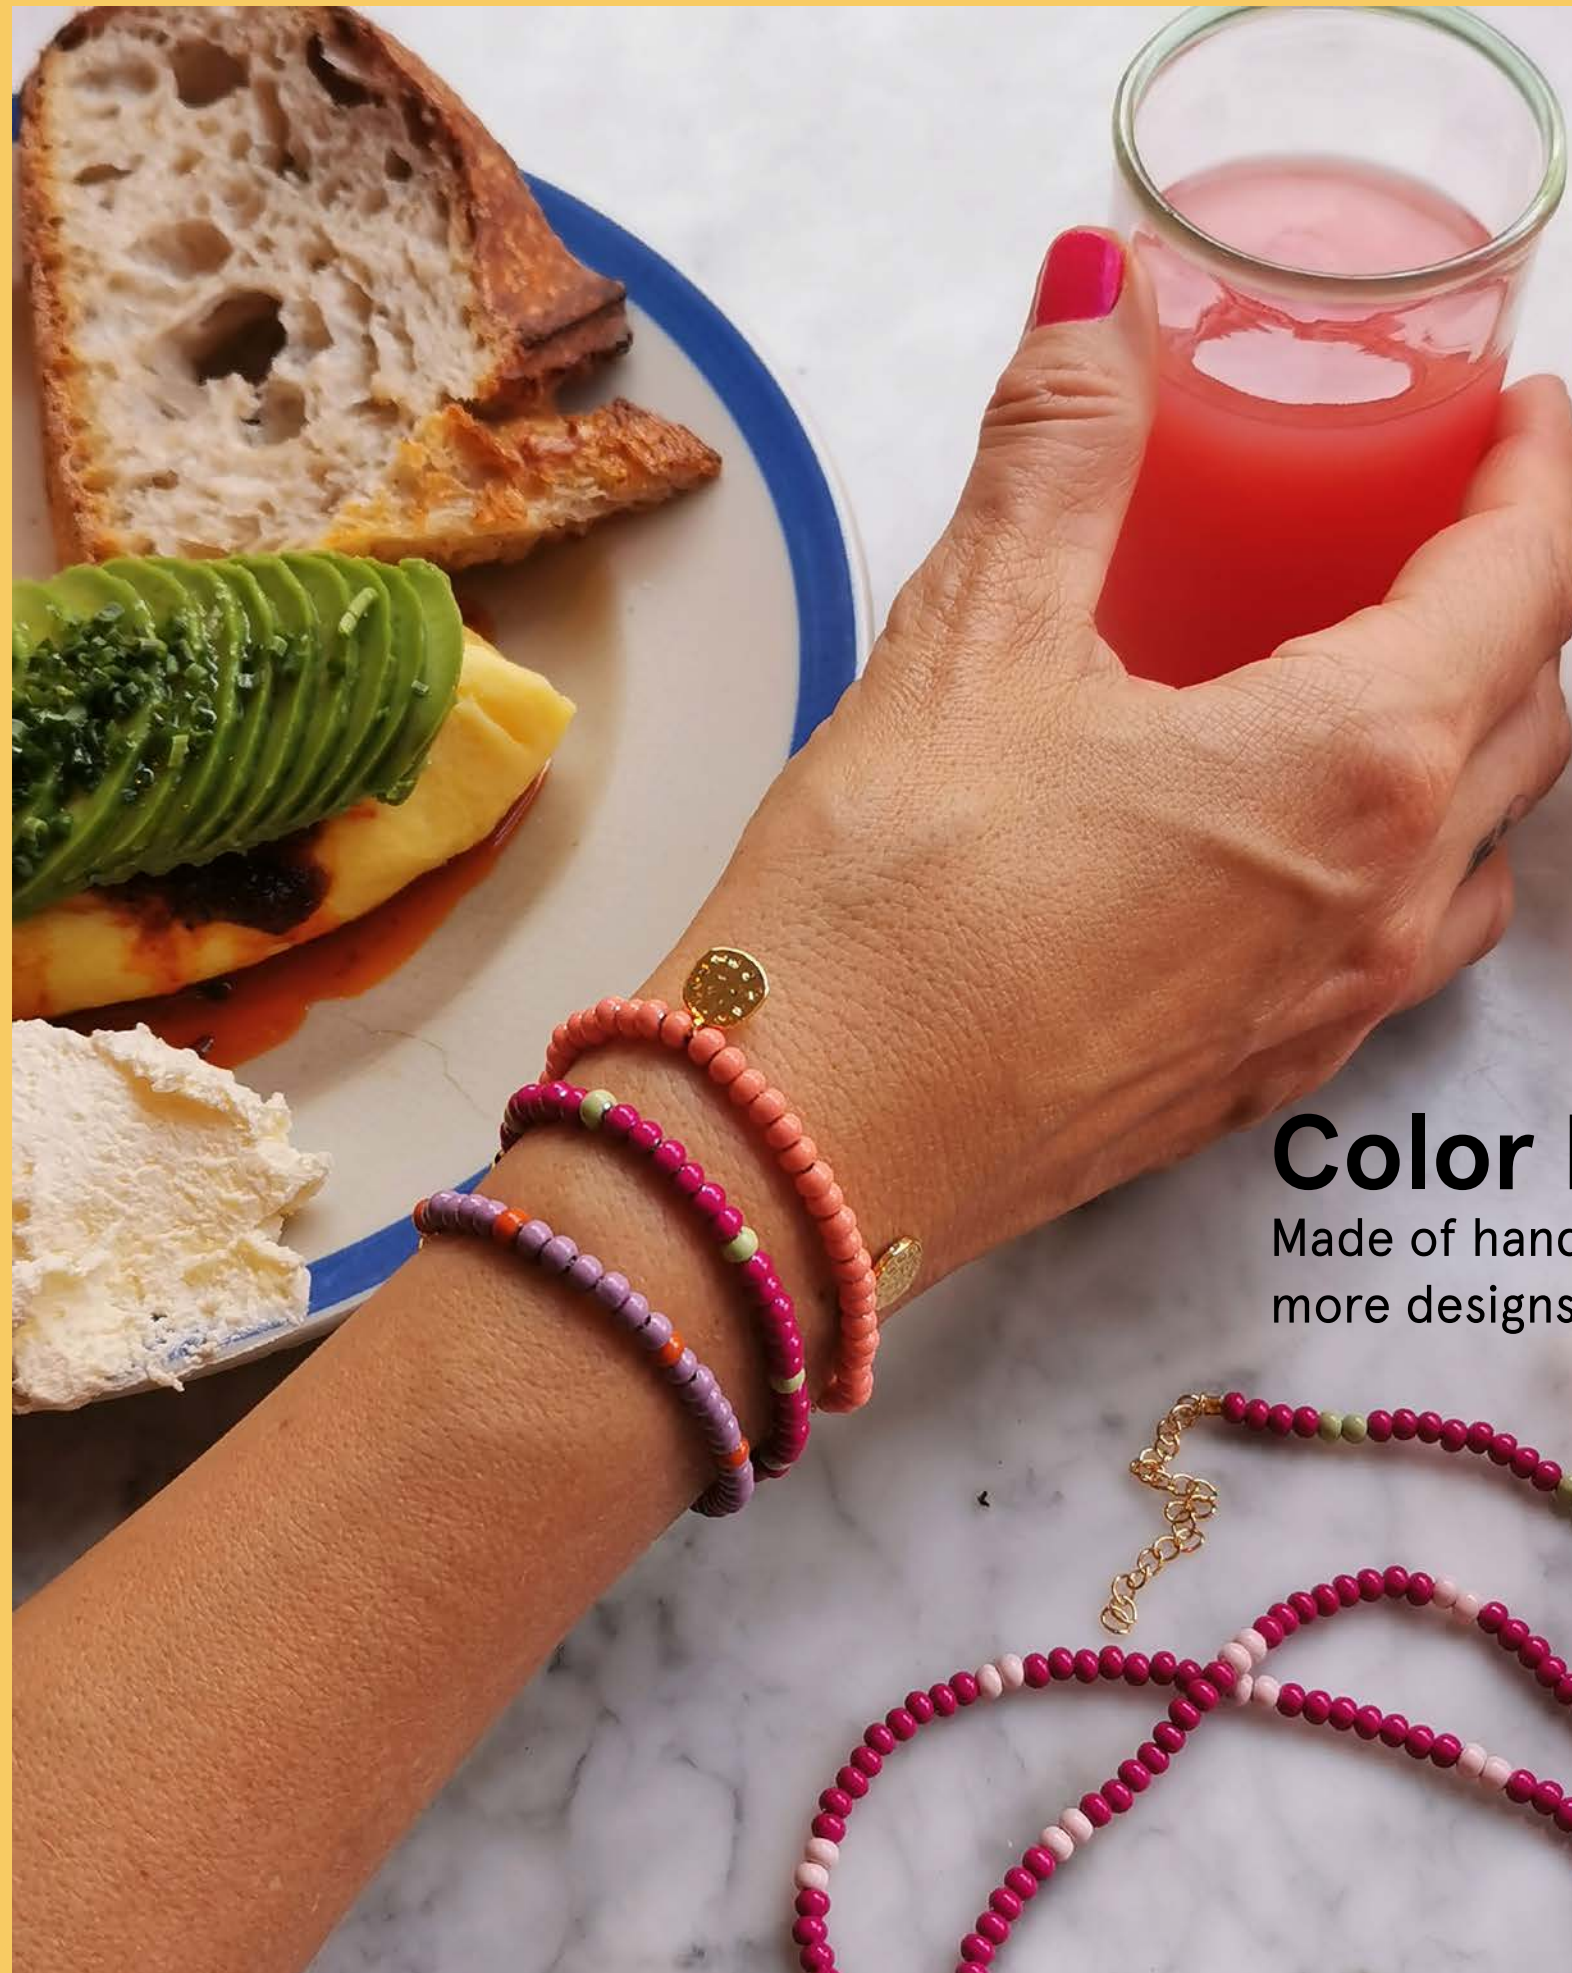

Color Bangles

We are adding 6 new season favourite colors to this succesful line.

Color Ball Bracelets

Made of handmade pearls, we are launching more designs to this powerful series.

Color Ball Necklaces

We will also expand on our range of Color Ball Necklaces with new designs.

Rudolph The Christmas Style

2023's Christmas Sock made a great entrance as a follow up on previous years successes such as The Sugar Cane and The Green Tree.

We predict that 2024 will be no different when we launch our next beloved Christmas style Rudolph.

New plinths

We are expanding our modular powder coated steel display system with a new series of plinths for use instore or as window decoration.

Each plinth consists of 4 sides and one top.

All in white. They come flat packed so they are easy to ship and you assemble them on site.

The system exists of 3 different heights, 60, 80 and 100 cm plinths.
